STRETCHAIR®

PROFESSIONAL

EXPANDABLE AIR HOSE

EXPANDS & CONTRACTS
AT A **2 TO 1** RATIO

KINK RESISTANT
superior flexibility for tight radius bends

LIGHTWEIGHT
up to 75% lighter than rubber air hoses, making your job easier

PREMIUM FITTINGS
quick release 360° swivel bend restrictors

MAR PROOF
abrasion resistant 1000-denier nylon cover to guard from scratches

INNOVATIVE & PATENTED EXPANDABLE DESIGN

The all-new StretchAir® expandable air hose does more than exceed expectations. It sets new ones. That's because it has the best combination of premium pliability and premium features. It is made to stretch, flex, bend, and handle max cfms. The StretchAir expandable hose is patented, compact and light weight allowing you to get the best results of any air hose on the market. Test one today and see for yourself.
