LAY FLAT INDUSTRIAL WATER HOSE

BY THE MAKERS OF
STRETCHAIR
PROFESSIONAL

Created to flow. Engineered to endure.

This industrial strength water hose is made with a heavy duty 1250 denier outer shell, making it extremely durable and able to withstand tough jobsites. Its PVC inner core is potable water safe. Weighing up to 50% less than traditional rubber hoses, our kink-resistant design is easy to store and transport. The built-in green safety stripe offers better visibility for improved safety.

HEAVY DUTY

Abrasion-resistant outer shell, aluminum connectors, 600psi burst pressure

LIGHTWEIGHT

Easy to store and transport

KINK RESISTANT

Water flows with twist and knots

HIGHLY VISIBLE

Green safety stripe

POTABLE WATER SAFE

Lead free PVC liner and aluminum fittings

FOUR SEASONS

All weather resistance

EASY TO STORE & TRANSPORT

Takes up less space than traditional rubber water hoses and weighs up to 50% less
